Biography

Once upon a time in Fairyland, a group of fairies went hiking. By day, they walked through beautiful countryside, and at night, they camped under glowing tents. It was a wonderful trip... until the rain started. And the tents leaked. The friends grew miserable, and started to argue. By the time they reached Harmony Dell, they all just wanted to go home!

But right then, the mood became lighter. Each fairy said sorry for how grumpy they had been. "It's strange", they thought, "I'm soaking wet and tired, but now I just feel glad to be with my friends. After all, we're all feeling the same!" And that's when Amy Heartfull, the kind Peacemaker Fairy, stepped out and greeted them.

Through her 'Peace Power' magic, Amy had shown the group there was no need to argue. Everyone had the same problem, so why not join forces to make it better? As a Tooth Fairy, she also shares her magic with youngsters in the human realm. By learning to work together and be considerate of others, children can become wise beloved grown-ups.

Dotty Cottage

All About Dotty Cottage

Since the beginning of time, Harmony Dell has been a place of enchantment. Its rare flowers and toadstools release a special kind of fairy dust into the air, and visiting fairies can feel the magic. Amy Heartfull gathers this precious shimmer, and when the conditions are just right, she uses it to create her Peace Power magic.

The Peacemaker's home, Dotty Cottage, is built inside one of the Dell's giant spotted toadstools. A few smaller houses surround it, to host guests. Ever since that famous camping trip long ago, fairies have come to Harmony Dell whenever they've needed some help to work out a problem with their friends.

Amy always reminds her guests that the most important thing is to listen carefully to one another. We must remember that it's not just about us - other people have feelings too. And they must listen to our feelings in return. It takes practice, but when we think about what other people want, and work together to make sure everyone is happy, it shows that we're becoming older and wiser. Remember this, the world will be more joyful. We can avoid arguments, and become even closer with our friends.

Official Tooth Fairy Letter

Dear

Congratulations on losing your tooth! I am your Tooth Fairy, Amy Heartfull, and I'm very proud of you.

Losing your baby teeth is one of the first signs of growing up, and I think you're big enough now to learn a secret. This is why, while you were sleeping, I sprinkled my 'Peace Power' magic over your pillow.

Peace Power is a spell to help you remember one important thing. This is how to have awesome friendships, fix arguments, and make the world a better place: listen to what other people want, and tell them what you want, too. Then - the most important part! - you need to work together to make sure that everyone is happy, including yourself.

It might seem simple, but it's harder than it sounds! After all, we can only hear what's inside our own head, and it's very easy to forget that others are the same. It will take practice, but if you can master this, you'll be well on your way to becoming a wise grown-up.

With lots of love,

Amy Heartfull
