Celeste Rainbow

Biography

A long time ago, Fairyland experienced a terrible summer. It rained heavily, day after day, for weeks on end, and the poor fairies could not fly! But, those who remember this time now think of it fondly. Because once the rain finally stopped, the most magnificent rainbow appeared. And from a golden light at the end of this magic rainbow came our beloved Rainbow Tooth Fairy, Celeste.

Celeste Rainbow lives up to her nickname, Colors. She knows that life can bring happiness, sadness, and everything in between - feelings of every color! - because she herself is a bearer of joy, born from an unhappy event.

Gathering wild fairy dust in every color, only the Rainbow Tooth Fairy has the special ability to mix it all together into her Rainbow Healing spell. By night, she collects lost teeth from children who have been feeling down or having a difficult time. Her fondest wish is that her healing magic can bring them a spark of delight, and show that times and happiness will return, like a rainbow after the rain.

Casa Colorida

All About Casa Colorida

Celeste Rainbow's home is named Casa Colorida, which means "colorful house". It's rather big, but every one of its toadstool turrets serves a very important purpose: collecting wild fairy dust.

The Casa sits at the end of Rainbow Lane, at the top of a hill overlooking Toothville. Although it gets windy up there, it's the perfect setting for Celeste and her enchanted house. Wild fairy dust travels by the north wind, and each of the Casa's toadstool turrets attracts the dust that sparkles with its matching color. The rare shimmer is then stored safely inside each turret, until the next rainy day. Like the creation of a rainbow, the magical combination of fairy dust can only happen when it's raining.

Casa Colorida also helps Celeste's fellow fairies when they're in need of cheering up. With so many rooms and turrets, there's plenty of space for friends to stay. The bright colors and the charming effect of the stored fairy dust make all her guests feel happy and loved. It might not have the warmest or sunniest weather, but a stay at Celeste's Casa Colorida can make any fairy's holiday had a well-deserved holiday!

Official Tooth Fairy Letter

Dearest

Congratulations on losing your tooth! As your Tooth Fairy, Celeste Rainbow, I am so proud of you.

I heard that you have not been feeling like your usual self recently. I was sad to hear it, but I want to let you know that it's normal and okay to feel down sometimes.

In fact, as a 'thank you' for your tooth, which I have whisked away, I have cast over you my powerful Rainbow Healing spell. It combines energy from fairy dust of every color, meaning it will work no matter whether your feelings are like a sad pale blue, a lost dark purple, or a vivid, angry red.

The spell is rare, but simple. Along with this letter, it will remind you that life will get brighter again. Remember that your feelings are like a rainbow; at some point you will experience every color. But the same color will never hang around forever, and in the end they all combine to create a beautiful whole that's unique to you.

Love and Brightness,

Celeste Rainbow
