Flora Blossom

Biography

Many years ago, in Fairyland's enchanted Buttercup Meadow, an extraordinary flower bloomed. As the fairies and butterflies gathered to see the unusual rose-gold bud, its petals began to unfurl. Nestled in the center of the flower was a tiny new fairy - Flora Blossom.

Flora, looking upon her new friends for the first time, marveled at their beauty, and that of the blooming meadow around her. Always upbeat and positive, our fairy has never lost her appreciation for the little details in life, even more than a hundred years later. Her friends, thankful for how she can make any situation feel magical, lovingly gave her the nickname 'Posy'.

As the Flower Tooth Fairy, Posy's gift to children who lose a tooth is the ability to see and cherish the wonderful aspects of life, just as she does. She knows that looking for the 'hidden treasure' in any moment helps us to see the amazing little things that we might miss otherwise. The more joy we find, the more magical our experience, and the happier we are!

Wildbloom Lodge

All About Wildbloom Lodge

Posy's home can be found in the beautiful Buttercup Meadow. Carved from an ancient toadstool, hundreds of colorful, fragrant blossoms cuddle in close to Wildbloom Lodge. No matter the season, rare and unusual flowers always bloom there. It seems that Flora's positivity and charm really do attract loveliness.

Buttercup Meadow is big, and filled with magical blossoms that release their own special fairy dust. When the soft fuzz of a bumblebee brushes against them, the little bee starts to shimmer, and knows exactly where to go next. Just off the ground at the side of Posy's house, there's a tiny entrance nearly hidden by shrubbery. The bees carry the magical shimmer through this small door, and down to a great underground beehive. Here, the fuzzy gatherers of the meadow produce sweet, golden honey in their safe cozy home.

Flora is ever-thankful to her bumblebee companions, as they share their honey with her. Although it's tempting to enjoy it with the other fairies, she saves most of it to help with her 'Wonder Blooms' magic. Sprinkled at the bedside of a dreamer, the spell opens their eyes to the
