Marina Aquashell

Biography

One sunny day in Fairyland, a group of fairies went sailing. They had a wonderful day, but as they headed back to shore, a wild, dangerous storm rose up at sea. As the wind tore their sails and the waves tossed them to and fro, they began to worry. Some of the younger fairies weren't strong enough to fly long distances yet, and the weather was terrible! How would they get back home?

Luckily, someone was watching over them. A protective, glowing bubble rose from the ocean, and gently guided their ship back to land. Once they were all safely back on the beach, the bubble faded, and a beautiful fairy appeared. Marina Aquashell came to life from the foamy waves to protect her new friends.

Marina - or 'Bubbles', as she's affectionately known - is now a fully-fledged Tooth Fairy. When a tooth is lost, it is Marina who visits the children who dream of travel. Her Oceanic Guardian magic, powerful on land but even stronger near water, brings future adventures to the dreamers in her care.

Seafoam Villa

All About Seafoam Villa

Seafoam Villa, the home of Marina Aquashell, sits in a rock pool by the sea in Faehaven Cove. Full of seawater and small friendly marine creatures, the pool is set far back enough from the ocean to be shallow and safe. It's also perfect for Bubbles' favorite hobby - every day, she enjoys a swim in her pool.

Surrounded by aquatic plants and the soothing sound of the waves, our Tooth Fairy's home is a calming place to be. Her fairy friends often join her for a holiday, and together they explore the beach, collect pretty seashells, and of course, swim in the rock pool. Inside, Seafoam Villa is decorated with souvenirs of these happy visits.

Living near the sea is very important for Marina, as it's the source of her protective magic. The Oceanic Guardian spell is stronger when water is nearby, but it still works well when we are in the sea. Did you know that most of our planet is covered in water? Oceans, lakes, rivers and more - wherever we go, there's a source of water nearby. This is how Marina's magic provides a protective watch over us, wherever we may roam.

Dear

Congratulations on losing your tooth! As your Tooth Fairy, Marina Aquashell, I'm really proud of you, especially since I can tell that your tooth has been well looked after.

Since you've given me such a precious gift, I have blessed you with something special in return. I heard that you have big dreams of traveling one day, and I'm so excited for you! Visiting new places is such an adventure - you'll explore new areas, meet new people, and experience different ways of life.

But traveling can also be a challenge. Even if you're excited, it's normal to feel a bit anxious too. This is why, after collecting your tooth last night, I cast my 'Oceanic Guardian' spell of protection over you. Now, no matter where in the world you are, a magic, protective bubble will always be there to watch over you, and remind you of something important. Life is an adventure; if you keep expanding your comfort zone, you'll always feel safe.

Enjoy your travels, I know you'll return with many happy memories.
