## Biography

One long-ago night in Fairyland, the Tooth Fairies gathered to watch a spectacular show of shooting stars. All eyes were eagerly turned to the night sky, and at first, no one noticed that one little star had fallen to earth. Emerging from a trail of shimmering stardust, Stella Starshine was nicknamed 'Twinkle', as the other fairies had never seen such radiance.

The fairies feel so lucky to have Twinkle, as she has a very special skill - helping others shine. While we know every Tooth Fairy is very good at flying, sprinkling magic, and stealthily retrieving a lost tooth, they each have their own unique ability too. Many are born knowing what it is, but some need a little support to find it. Stella helps her fairy friends discover what they are good at, so they can bring joy to themselves and others.

Twinkle loves to help children in the same way. Through the power of shooting stars, the children in her care can find their own special talent, and gain the confidence to shine.

# Galaxy Hall

## All About Galaxy Hall

Stella Starshine's home, Galaxy Hall, sits at the edge of Toothville, the main town in Fairyland. While some fairies prefer to live deep in the woods, or hidden away elsewhere, Twinkle prefers the bustle of village life. Living in Toothville also makes it easier for her to visit the younger fairies in training. Guiding them towards their own special talent, the fairies then learn how to transform it into unique, powerful magic.

Our Starry Tooth Fairy also receives plenty of visitors at her cozy home. At the end of every month, all Tooth Fairies gather under Galaxy Hall's starlit lamps for the 'Star of the Month' ceremony. When she realised how gifted her friends were, Stella started this regular celebration so they could cheer each other on. Each month, one fairy is voted the winner, but everyone feels encouraged to keep practicing their skills and do their very best, every day.

Stella herself is always working on her Shining Stardust powerful spell that allows her to call on shooting stars for the help of the star-shimmer infusing her home with magic. The stars turn into stardust, ready to join Twinkle on her adventures.

# Official Tooth Fairy Letter

Dear

Congratulations on losing your tooth! I am Stella Starshine, but my nickname is Twinkle because I was born from a shooting star!

Have you ever seen a shooting star? At certain times of the year, if you look closely, you can watch them streak across the night sky.

I heard you have a special talent. There's something you are very good at, and whether you know it yet or not, it will bring great joy to you and those around you.

Now I'll tell you a secret: as a thank you for your precious tooth, I have gifted you with my 'Shining Stardust' spell. This will help you discover what it is you are good at, and love doing.

And should you ever need encouragement from a friend, just send a little wish into the sky. A shooting star will appear, just for you. If it's daytime you might not see it, but its magic stardust will give you a gentle boost, and help you shine even brighter.

With love and star power,

*Stella Starshine*
