## Biography

A long time ago in Fairyland, young Violet Corne was training to become a tooth fairy. She had always dreamed of travelling the human realm, visiting children at that special 'growing up' moment, and blessing them with magic to help along the way. It was a noble dream, but she had one problem. A tooth fairy must have a unique magic that only they can use. And she had no idea what hers could be!

Feeling lost and wandering the Enchanted Forest, our fairy spotted a strange creature through the trees. Oh, she had never seen anything like it! Graceful and magnificent, it was like a horse, but... pale violet in color? And, most unusual of all - a single horn crowned its gentle, intelligent muzzle.

Looking into the beast's eyes, Violet realized something. This was the only unicorn in the world. And she had appeared just for Violet. The little fairy, searching for uniqueness, had found it. And she knew what her magic would be. Violet would be a unicorn too, helping find their own, one-of-a-kind charm.

# Unicottage

## All About Unicottage

Violet built her home, Unicottage, just the way she wanted it. When the other fairies visit her in the Enchanted Forest, they marvel over the unique beauty of her home, and the one-of-a-kind flowers that grow around it. Strangely, these blossoms can't be found anywhere else. Violet's friends always hope for a glimpse of her legendary companion, but her appearances are rare.

Not to worry, though - given the nickname 'Unik' by her friends, Violet Corne is their very own Unicorn! When others need help figuring out their unique ability, Violet takes them to the magical pool surrounding her cottage. When a fairy gazes into the mesmerizing water, after a while, their reflection will reveal exactly what makes them who they are. And sometimes, if they're lucky, they will also see a magnificent one-horned creature gazing back at them.

When Unik is alone in her cottage, her fabled friend is never far away. Although shy around others, she completely adores Violet. Together, distilling water from the enchanted pool, they create the powerful 'Soul Reveal' magic. Cast over a sleeping fairy, it calls on their own mystical guide, to lead them to discover their own unique power.

# Official Tooth Fairy Letter

Dear

Congratulations on losing your tooth! And thank you so much for your precious gift - your tooth is completely unique, just like you.

I'm your Tooth Fairy, Violet Corne, but you can call me Unik. Last night while you slept, I shimmered to your bedside along with a very special friend of mine. Together, we blessed you with a magic spell called 'Soul Reveal'.

Do you know what makes you unlike anyone else? Maybe you already have an idea, but you could have more than one unique charm! This magic will call on your own legendary animal guide, who will help you discover, through your dreams, what makes you one-of-a-kind.

When you lose a tooth, it's a sign of growing up, and this is the perfect time to get to know yourself a little better. Even if you don't remember the dreams in detail, you'll feel more drawn to try different things while you're awake. When you find one of your own special abilities, you'll somehow just know it's for you.

Have fun discovering your magic,

*Violet Corne*
