Will Jester

Biography

Will Jester, the Joker Tooth Fairy, is a hero to many in Fairyland. Ever since he was a young schoolfairy, he has rescued many friends from tight spots with his quick sense of humor. His ability to create laughter from any situation earned him the nickname 'Jokes'.

And how did Jokes become a tooth fairy? Actually, it's a funny story. Did you know young fairies lose their baby teeth, just like we do? One day, it happened to Will's friend, just before the big school concert. As the star trumpet player, this was a disaster! Now the trumpet sounded all squeaky. Upset, she locked herself in the backstage cupboard and refused to come out.

Will saved the concert by helping her make a funny joke out of the situation. When it was time for the trumpet solo, Will came onstage too. He told a witty story, and she produced funny trumpet sound effects. The audience laughed so much, and the moment was remembered fondly for many years afterwards. After that, Will became a tooth fairy, helping children see the funny in their everyday moments.

Harlequin Cottage

All About Harlequin Cottage

Jokes lives in Harlequin Cottage, a rather quirky looking toadstool structure on Toothville's Punch Lane. You may notice the tower room at the very top has two roof caps, red and blue. The blue cap can be raised and lowered to give Will more space when practicing certain skills, like juggling or stilt-walking (sometimes both at the same time!). He keeps trying to juggle his bean bags higher and higher, but at some point, they always come crashing down!

Home to many Fairyland comedy nights, Will's cottage is a joyful place to be. Any new visitor is warmly welcomed, and leaves feeling cheerier and lighter. Jokes draws his own magic, Mirthweaver, from the laughter of his friends.

While the Joker Tooth Fairy never takes life too seriously, he knows that our problems can get us down. But sometimes the need to solve a problem is to stop worrying about it so much. When we see the humor in a situation, not only do we get a good laugh, but it often lets us see things from a different point of view. When we do this, the fix to our problems is often clear - just like magic!

Official Tooth Fairy Letter

Dear

Congratulations on losing your tooth! Funny we should meet like this - I'm your tooth fairy, Will Jester. My friends call me 'Jokes', and my mom calls me 'Tidy your room!'.

Hey, do you know what is a dentist's favorite time of day?
...Tooth-hurty (2:30)!

Ok, ok, enough joking around. I was really glad to see your tooth had been well-looked after, because I am all about big smiles. There's nothing quite like a good laugh to help make friends, clear the air after a not-so-fun moment, or brighten up a dull day.

In return for your precious tooth, I sprinkled my Mirthweaver magic over your pillow while you slept. I think you're already pretty good at making others laugh, but this spell will give you a little extra boost. With it, you'll always be able to see the funny side of a situation, and get a laugh (or at least a smile!) out of your friends.

Bringing cheer to those around you is very powerful magic in itself. Use it well, and have fun!

With giggles and snorts,

Will Jester
